## **BOOK SYNOPSIS**

More Than Miracles: The State of the Art of Solution-Focused Brief Therapy is a ground breaking, intellectually provocative book, revealing new advances in the widely used, evidence based Solution-focused Brief Therapy (SFBT) approach. The final work of world renowned family therapists and original developers of SFBT, the late Steve de Shazer and Insoo Kim Berg (who passed away shortly before the books release) this definitive resource provides the most up-to-date information available on this eminently practical, internationally acclaimed approach. New revelations about the impact of language in therapeutic change are presented precisely and clearly, illustrated with real life case examples that give readers a “hands-on” view of the newest technical refinements in the SF approach. The books unique design allows the reader to “listen in” on the lively, discussions that took place as the authors watched therapy sessions.
