BOOK SYNOPSIS

The Definitive Guide for Injured Victims & Their Lawyers in Car Accident Cases: IF YOUVE BEEN HURT IN A CAR WRECK, WILL YOU KNOW HOW TO TAKE ON THE INSURANCE COMPANY AND THEIR LAWYERS BY YOURSELF? Think about that for a moment . . . Youve been hurt in a car wreck and it was not your fault. And now you have a lot of questions, but not a lot of answers: * who will pay for all of your medical bills? * you dont have health insurance, so how do you get the medical treatment you need for your injuries? * how can you recover your lost wages? * who will pay for your car to be repaired? * what if your car cant be repaired and is declared a total loss? * what if you owe more than the car is worth? * what about your future medical needs or lost wages? * what are the 3 things you must prove to be able to recover in your personal injury claim? This is a lot for anyone to handle - all of the phone calls back and forth, the emails, the paperwork, the releases. Will you have the time or the knowledge to handle this by yourself? Do you need a guide for consumers to help explain the process to you? And ask yourself - do you really want to take on the insurance company and their lawyers - especially without educating yourself on the claims process here in Georgia? Are you an attorney who is looking to expand your practice to help injured victims and their families injured in car wreck cases? Do you know enough about the personal injury claim process to zealously and ethically represent them? "The Authority On Personal Injury Claims In Georgia: The Definitive Guide For Injured Victims And Their Lawyers In Car Accident Cases" was written by Gary Martin Hays, a personal injury attorney with over 24 years of experience handling car accident claims in Georgia. A former insurance defense lawyer, he now only represents injured victims and their families. Since starting his own firm in 1993, he has helped over 29,000 clients recover over \$250,000 million dollars. In this handbook, Hays provides you a peek behind the curtain to see how his law firm successfully represents his clients. Topics include: * Car Wreck Facts & Myths * The Scene Of The Crash * Investigating the Wreck * Property Damage: Total Losses, to Repairs, to Diminished Value * Your Injuries * Medical Treatment For Your Injuries * Medical Bills: Med-Pay Coverage, Health Insurance, and The Uninsured * The 3 Things You Must Prove To Recover On Your Personal Injury Claim * "What Is My Case Worth?" * Do I Take On the Insurance Company And Their Lawyers By Myself? * How Do I Find The Right Lawyer? * The DEMAND Process - How To Tell The Insurance Company What Your Case Is Worth! * Liens And Subrogation Claims: Who Will Claim They Are Entitled To Some (Or Maybe ALL Of Your Settlement) * Legal Deadlines * Litigation: Do You File Suit On Your Case? The book also contains a presentation that Mr. Hays gave to other attorneys at a continuing education seminar for lawyers regarding diminished value claims in Georgia - a secret that is literally saving the insurance industry millions of dollars each year - money that should be going to Georgias consumers. In addition, FREE bonus chapters from three (3) of his previous books that he co-authored are included: * "3 Secrets The Insurance Company Doesnt Want You To Know About Your Personal Injury Claim" * "The Mourning After: Helping Families Cope After A Drunk Driving Wreck" * "I Will Make A Difference!"
