BOOK SYNOPSIS

In late 2009 this angelic source warned of the need for every country to become self-sufficient in food supply. One of the reasons given was thatgeological disturbances will take place beneath the oceans with repercussions in the atmosphere. This may make both water and air transport difficult. A few months later a volcano in Iceland erupted and air space across Western Europe was closed to traffic. This book is a wake-up call and we all need to start listening. Time is not on our side. Crop circles - how they are made and why Black holes - their true purpose Meditation in fifth dimensional energies The true nature of climate change The evolution of the human race Manifestation in the new energies. The Ascension process - what you need to know to be part of the Earths new golden ageand much more.....
